

Summary 8 (level 2)

We reviewed everything at this lesson and had a mini-test. **If you missed the mini-test, you have to take it at the next lesson!**

Present Simple for Future

Мы почти закончили упаковывать наш Future Suitcase и осталось положить в чемодан только одну вещь. Что это? Самое главное – билет на самолет. Как вы думаете, за какое время он отвечает?

Write down: Present Simple

We use Present Simple in the future meaning when we talk about **timetables** and **schedules*** (transport / school / theatre, etc.)

* /'fedju:l/ (Br), /'skedʒu:l/ (Am)

My flight leaves at 8 a.m.

Do you have classes next week?

Мы используем Present Simple для всего, что связано с расписанием кино, школой, самолетами, поездами. Это НЕ наше личное расписание! Это расписание, не зависящее от вас! Если вы провели три часа в duty-free, выбирая кубинские сигары, то самолет все равно улетит в 8, хоть и без вас. Если же вы говорите о ваших личных планах, то используете Present Continuous.

Сравните: *I have a lesson tomorrow, but I'm not going.*

Do the exercises.
