

## Summary 9 (level 4)

### BEEN OR GONE?

Look at the picture of Mei in your Workbook. Где Мей уже была? Где она сейчас? Какая разница между предложениями She's been to France и She's gone to Germany?

She's been to France – **была и уже вернулась**

She's gone to Germany – **уехала (или ушла) и все еще там.**

**Do the exercise in your Workbook.**

### PRESENT PERFECT WITH JUST (FOR NEWS)

Обратите внимание, как мы сообщаем то, что только что произошло, наши новости:

**I've just won a lot of money! My wife has just got pregnant! I've just cut my finger!**

**Дописываем в таблицу Present Perfect с прошлого урока новое правило: We use PP**

2. when we give the news or new information (когда мы рассказываем о новостях или даем новую информацию).

# I've bought a new house!

# She's met a hot guy!

**NB1:** If we continue to talk about it, we use Past Simple (если мы продолжаем говорить об этой ситуации, мы используем Past Simple).

# - She has met a hot guy!

- Where did she meet him? (not has she met)

- She met him at the market. (not has met)

В New Marker дописываем еще один маркер с примером:
