

## Summary 7 (level 1)

### Job interview

Ricardo is looking for a job and he hasn't been very successful. He sees this job ad (объявление о работе) in a newspaper. Read the ad. What type of person is the employer looking for (hard-working - yes, but what else? Dirty? Lazy? Creative?). What questions an employer might ask?

Now read the Basic Interview questions. Use New Words to help you.

#### Don't forget:

- Tell me about yourself: здесь можно давать любую общую информацию о себе.
- Tell me about your education and career: здесь рассказываем о профессиональном опыте используя Past Simple и Present Perfect.
- What are your strengths? тренируемся произносить слово strengths, оно обязательно встретится, если пойдете на собеседование. Рассказываем о себе используя Opinion Phrases (I think, I believe); words to describe smb (really, very, etc) и качества характера, которые изучали на предыдущих уроках (позитивные)
- What are your weaknesses? так же, только говорим о не очень хороших наших качествах. Объясните, что говорить что-то ужасное о себе тоже не надо 😊
- What are your career goals? translate the phrases. Can you add any other career goals?
- Why should we hire you? обратите внимание, что после фразы be good at используется слово с ингвовым окончанием.
