

Summary 2(3)-4

A great way to start a lesson is to sing a good song! That's what we did today. We sang "Don't Speak" by No Doubt. Sing it too!

USED TO

The song you listened to starts with these words:

You and me

We used to be together...

What does "used to" mean? Эта конструкция означает, что раньше это действие происходило, а теперь - нет. In your WB, fill in the table.

Name	Used to
Rule	We use "used to" when we talk about habits (привычки) and long-lasting situations which now are finished or different .
Structure	+ You used to V. - You didn't use to V. ? Did you use to V?
Special features	1. We use <i>used to</i> only for the past . You can't say "I use to..." (present) 2. We don't use <i>used to</i> for actions that happened only once . # I went to Italy in 2012. not I used to go to Italy in 2009. 3. We can always use Past Simple instead of <i>used to</i> # I used to have a dog called Tilly. = I had a dog called Tilly.
MJ	+ He used to listen to Filipp Kirkorov. - He didn't use to listen to Filipp Kirkorov. ? Did he use to listen to Filipp Kirkorov? y/n Yes, he did. / No, he didn't. s? Why did he use to listen to Filipp Kirkorov?

Какой предмет мы кладем в сейф? Диск Филиппа Киркорова, потому что Рикардо раньше слушал его веселую музыку, а теперь уже нет.

Как видите, вопросительная и отрицательная формы в этой конструкции образуются, как Past Simple у любого другого глагола. Словами did (в вопросах) или didn't (в отрицаниях), мы уже показываем, что время прошедшее, а значит говорить главный глагол в прошедшем времени не нужно. Хватит и первой формы. Поэтому мы говорим Did you use to, а не Did you used to.

PRACTICE

Look at the pictures of Lisa in your WB and answer these questions:

- What did Lisa use to be like? (She used to be happy.)
- What is she like now? (She is sad.)
- Who did she use to date? (She used to date Ricardo.)
- Who is she dating now? (Nobody.)
- What did Lisa and Ricardo use to do together? (They used to walk/go out/spend time together.)
- What is she doing now? (She is lying in bed / eating chocolates.)

Make up sentences about what Lisa used to do before breaking up with Ricardo and what she is doing now. For example:

Before	Now
счастливая She used to be happy.	беспокоится She is anxious now.
ела полезную еду She used to eat healthy food.	ест шоколад She's eating/eats chocolate(s).

How has your life changed? Think about your appearance/home/work/studies/free time. Make up a few sentences about yourself now. I'm sure your life has changed for the better!

New IV

stink, stank/stunk, stunk	ВОНЯТЬ	The morning after the party, the whole house stank of beer and cigarettes.
ring, rang, rung	ЗВОНИТЬ	I rang the doorbell but no one came. I was going to ring you but I don't have your number.

Money words used in ads

What do you do when you break up with somebody and feel sad like Lisa? I shop. So does Lisa. She goes online and sees all these banners. Read the ads in your WB and fill in with the new words.
