Then find the Irregular Verbs in the WB and review them.

APPEARANCE:

In Workbook: look at the words, fill in the missing words (review the words you already know and learn some new ones. Then open the summary of the level and check yourself.

How do you say: очень красивый, немного худой, довольно толстый? Read the phrases on the next page (really, quite, etc.). How can you use them?

Слово pretty нам встретилось в двух совершенно разных значениях: как прилагательное «хорошенькая» и как наречие «довольно». Сравните:

She's pretty. Она хорошенькая. Jane's a pretty girl. Джейн – хорошенькая девушка.	She's pretty tall. Она довольно высокая. Jane's a pretty tall girl. Джейн довольно высокая девушка.
