

## Summary 2(3)-1

Welcome to the third level at Easy School! Congratulations on passing your exam! I hope you're ready for something exciting!

We watched an episode of Friends today (S8E7) "The one with the stain") and learned some new words. In your Workbook, read the new words and try to guess the translation/meaning of the ones without the translation. Check yourself in the summary of the level (at the end of the Workbook).

### Watch the episode (in the Video Summary of the lesson). Then answer these questions:

- What does Monica do when she is anxious?
- Why can't she clean up now?
- Who is Ursula?
- Why is Rachel looking for an apartment?
- What apartment has Ross found for her?
- How can Monica recognize her jeans?
- Why is Ross studying Dutch?
- Why can't Rachel stay with Joey?
- How can Monica recognize her bra?
- Who took the jeans and the bra?
- How did Joey change Rachel's mind about moving?
- What was the dying wish of the Dutch lady?

### WHO SAYS IT?

Usually when I'm this anxious, I clean.

I was just saying that so you'd think I was a good person.

I'm apartment hunting.

So she stole your pants and then she came back and wore them in front of you?

Don't you see? It's the perfect crime.

I get so angry just looking at her.

Don't tear out your eyes.

When the baby comes, she is gonna move.

I was hoping you would stay.

You are the hottest roommate I've ever had.

That's the thing I'm worst at.

I catch you looking at women's breasts all the time.

I know it must be hard that your wife is a lesbian...

It's gonna poop.

Her dying wish was for one last kiss.

## Irregular verbs

There are two irregular verbs on the list of the new words. Can you find them? Can you guess their forms? At this level, you're going to learn more Irregular verbs. Let's start! Open page 3 of your Workbook and read the first two verbs and the example sentences.

tear /teə(r)/, tore /tɔ:(r)/, torn /tɔ:n/	рваться, разрываться, вырывать	I've just torn a hole in my jeans! He tore a page out of his notebook.
sting, stung, stung	1. жалить, кусать 2. жечь	He was stung by a bee. Tears stung her eyes.

**Tear:** Обратите внимание на разницу в произношении слов «слеза» и «рвать». Пишутся они одинаково, произносятся по-разному (you might already know similar words: read /'ri:d/, /'red/; live /'lɪv/, /'laɪv/; record /'rekərd/, /rɪ'kɔ:rd/, etc)

**Remember:** Когда кусает собака, используем глагол "bite", а когда пчела, используем "sting".

Let's practice the new words now. In your Workbook, translate the sentences. Then check yourself at the end of this summary.

### What's going to happen next?

What was the tough decision Ricardo had to make at the end of level 2?

He didn't know what was the right thing to do - to leave Lisa and go on a trip with Valentina or not to break up with Lisa and stay in NY.

Look at the picture in your WB. What do you think Ricardo has decided? Why do you think so?

Ricardo and Lisa have talked and decided not to break up. Lisa agreed to go on the trip with Ricardo and Valentina. Everybody's in love and happy.

But something is about to happen soon. Let's listen to the audio and find out.

**Listen to Track 1** What's going to happen next?
